Your legacy will

difference

Established in 1998, Shropshire Cat Rescue has grown from strength to strength due to its deeply rooted values of animal care and efficiency and the support of the general public and our loyal supporters and volunteers.

Our main shelter in Bayston Hill, Shrewsbury, cares for cats and kittens of all ages and states of health by offering shelter in our maternity unit, kitten unit, main shelter and our charming Retirement Village.

Fundraising through our shops, events, sponsorship and newsletter provides us with the money to care for cats with many disabilities; enabling us to offer long term or permanent care to any cat that requires our help.

Our pens are heated, cosy, dry and safe and we provide music and teddies for company.

We provide top brand food for the cats in our care who often come to us starving and emaciated. In addition the cats are regularly treated to fresh chicken or fish.

All our shelter helpers are trained to offer the best care to our feline occupants from grooming, bathing, cuddling to playing, talking and confidence building.

In addition to caring for the cats in our shelter, Shropshire Cat Rescue believe that preventative measures are very important and offer neutering help to anyone that is struggling to meet the full costs. Neutering is essential in reducing the huge number of unwanted kittens born every year.

Working alongside the Police, Councils and Social Services, Shropshire Cat Rescue offer immediate help to cats and small animals whose owners have been evicted from their homes or whose circumstances have often been violently compromised.

When space permits, Shropshire Cat Rescue offers permanent shelter to elderly cats and encourages contact between cats and their owners.

For Shropshire Cat Rescue to continue to grow and provide our exceptional care, we need your support. Please write us into your will and register it with your solicitor, that way you can rest assured that you are going to make a real difference to the lives of many cats.

Take this leaflet to your solicitor so that he can accurately record our charity name and number and contact us if more information is required.
